Our Mission

As creators of Ye Olde Durty Bird we want to welcome all who pass thru our doors. Together we have 40+ years in the hospitality business and our love of food drink enhances our creativity within these walls. We were born and raised in Toledo and though we have traveled to many fascinating places we are drawn back to our roots.

The building was originally built in 1867 as The Grand Hotel and has survived decades including the great depression, prohibition as well as the rise and fall of our beloved downtown. It warms our hearts to see people drawn to our downtown streets once again.

We hope you will take time to look around and see for yourself what hidden treasures have been produced right here in Toledo.

Yours in food and drink!!! Linda and Julie
